MEMORANDUM FOR: CIA Management Committee
THROUGH : Deputy Director for Administration
SUBJECT : Proposal for Study of Career Commitment

JFB
26 DEC 1974

25X1A

1. At the 20 November bi-monthly Office of Medical Services Management Conference with the Deputy Director for Administration, an FY 1975 OMS objective [REDACTED] providing for the examination of some aspects of the Agency's subculture was discussed at some length.
2. The OMS at this conference submitted a proposal for the initial effort in this area. It is for a long-range study of career commitment among Agency employees. A copy of this proposal is attached.
3. It is recommended that OMS be provided an opportunity to brief the Management Committee on this proposal.
